II. What rule is being withdrawn? In the April 30, 2014 **Federal Register** document, EPA amended the labeling regulations for pesticide products and devices intended solely for export to allow placement of required information on collateral labeling attached to a shipping container of such products rather than on the label of each individual product in such a shipment by direct final rule. In accordance with the procedures described in the April 30, 2014 **Federal Register** document, EPA is withdrawing the direct final rule, because the Agency received adverse comments, copies of which are available in the docket. Elsewhere in this **Federal Register**, EPA is proposing a rule to seek public comment on the labeling regulations and the issues raised by the adverse comments received.

IV. Good Cause Finding EPA finds that there is “good cause” under the Administrative Procedure Act (APA) ([5 U.S.C. 553\(b\)\(3\)\(B\)](#)) to withdraw the rule discussed in this document without prior notice and comment. For this document, notice and comment is impracticable and unnecessary because EPA is under a time

limit to publish this withdrawal. It was determined that this document is not subject to the 30-day delay of effective date generally required by [5 U.S.C. 553\(d\)](#). This withdrawal must become effective prior to the effective date of the rule being withdrawn.

V. Statutory and Executive Order Reviews

[Back to Top](#)

This document withdraws regulatory requirements that have not gone into effect. As such, the Agency has determined that this withdrawal will not have any adverse impacts, economic or otherwise. The statutory and Executive Order review requirements applicable to the rule being withdrawn were discussed in the April 30, 2014 **Federal Register** document. Those review requirements do not apply to this action because it is a withdrawal and does not contain any new or amended requirements.

VI. Congressional Review Act (CRA)

[Back to Top](#)

Pursuant to the CRA ([5 U.S.C. 801 et seq.](#)), EPA will submit a report containing this rule and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States prior to publication of the rule in the **Federal Register**. This action is not a “major rule” as defined by [5 U.S.C. 804\(2\)](#). Section 808 of the CRA allows the issuing agency to make a rule effective sooner than otherwise provided by CRA if the agency makes a good cause finding that notice and public procedure is impracticable, unnecessary, or contrary to the public interest. As required by [5 U.S.C. 808\(2\)](#), this determination is supported by a brief statement in Unit IV.
